From D.L. Shimaga, no H.C. 262

Submits his report on the petitions.

1) The D.L. is of opinion that the
pension sanctioned to Hassan Ali Khan
is limited to his life & he had no
right to make a disposition of it in
favour of his daughter - Khansum Bibi
(vide Registered deed of 24. 9. 1918).

2) Besides as she is married & is living with
her husband, she has no legal claim to get
the vacant pension of Rs 35/- & recommends
as a matter of grace, the head member -
Sher Khan (counter petitioner) may be asked
to pay her Rs 15/- a month for her life
time & the balance (Rs 20) be restored to
Mr. Sher Khan -

3) Reference is invited to ~~Stokes~~ orders

that the pension should descend to the

9) One is - that the decision of 19.1.18 for the
continuance of the share of Rs 8/ per

of her eldest son should be reconsidered
and that the same should be retransferred
to him - ~~as the same was~~ in the
same way as Pacha Bibi's share of
Rs 15/- was restored to him -

(10) In support of his continuation his share,

The Dy Commr does not offer any
opinion on this point -

(11) This question has been exhaustively con-
sidered, and there is no reason for
any reconsideration of ^{previous} ~~that~~ order.

12) On the other ^{hand}, the other petitioner, the daughter of Hassan Ali Khan claims the said share -

13) This is the main point for order. And in this point, the Dy Commr's recommendation is - for partitioning Rs 15 to the daughter of the deceased as a matter of grace of ~~and~~ for his life time, the Nawa Shuk Khan being permitted to retain Hubaloun for himself -

14) This view of the Dy Commr runs counter to that of his predecessor Mr. M. A. Narayana Deyan - vide letter no 334 of 17. 11. 1917 and cannot be supported - in view of the Dy Commr's previous order that the portion of 36/ was granted to Hassan Ali Khan for life, and that the daughter has no legal right with continuance, the disposition of wife of the deceased ~~with~~ notwithstanding -

16) The question whether Shukhan is under
any obligation to maintain the 2nd

arise for consideration now.

17) A portion of his pension of his
pension has already been parcelled
out, and a separate registry of
the share of Rs 35 made in the
name of Hassan Ali Khan. And to
say as any legal heir of his is de-
nying the pension that accrued to the
benefit of the legal heirs of the
Shah during Shukhan's lifetime.
The Commission Rs 15 to the
2nd petitioner, the Dy Commr. appears
to say that she is the legal heir of
the deceased - and this contention
of her is not denied by Shukhan.

18) The 2nd point for consideration is
(a) whether the pension of Rs 35⁷ has
been wholly assigned to Shukhan as
prayed for him - This is not
supported by the Dy Commr. too -
(b) whether it should be parcelled out

Enclosure No. 1 File

Sir,

In reply to your letter
no: FL: 2980 / S. & A. 35-18 date
19th December 1918, I have the
honor to state that the question
at issue is whether the pension
of Rs 35/- that was being
drawn by Hassan Ali Khan,
a relation of the Nawab of
Mumali who died on 20th
October 1918 should be allowed
to be drawn by his daughter

Khanjada Bibi alias Khasati Bibi or made to revert
 to the Nawab. For distinguished services rendered by
 one of the ancestors of the present Nawab, some generations
 of this family have been getting a political pension.
 Mr Sher Khan, the Nawab, is now getting Rs 202/- from
 the Mysore State and Rs 112-8-0 from the Residency.
 This pension has been granted for his lifetime on
 the condition that he should pay portions of it to
 some of his relations. ^{is one of the relations} named Hassan Ali Khan, he
 was required to pay Rs 35/- per mensem. The relationship
 between the Nawab and Hassan Ali Khan is shown
 below :-

S

In Government order no: FC 1414-6/STA
248-06-30 dated 23rd September 1907 it
is stated, that the pension granted to
the Nawab is for the benefit of the Nawab's
family, but it is extremely doubtful if
the Nawab's paternal grandfathers' brother
son's daughter can be regarded as a
member of his family. She is not a very
near relation of the Nawab and she
is married and is living with her
husband. Hassan Ali Khan seems to
have executed a deed that after his
death, his only daughter should get his
pension of Rs 35/- but Rs 35/- had been
granted to him only for his lifetime
and he had absolutely no right to make
a disposition of it to take effect after his
death; nor is it heritable property, for
Hassan Ali had a right to get Rs 35/-
only till his death. Khanjada Bibi has

A

therefore no legal claim to get the sum
of Rs 35/- . As I have stated above it
is doubtful if the Nawab is under any
moral obligation to make provision for
her, but he has expressed his willingness
to give her some money. Even if she had
a legal right, she would not be entitled
to more than Rs 17-8-0, but she has no
such right. As a matter of grace, the
Nawab may be asked to give her Rs 15/-
for her life time on the distinct under-
standing that her heirs will have no
right whatsoever to get any portion of
the pension. I propose a small reduction
of Rs 2-8-0 because it is desirable to
make a difference between an heir who
derives heritable property as a matter
of right and a person who gets non-
heritable property as a matter of grace.
Both need not be placed on the same
level.

The entire file received with your
letter under reference as noted in the
margin is submitted herewith.

I have the honor to be,
Sir,
your most obedient servant,

Khan Shumun Khan.

Most Respected Sir,

The undersigned humble memorialist, Khanjodi Bibi of Honnali, begs to bring the following few lines for your benign consideration.

1. The humble memorialist is the only daughter of the late Nawab Hasan Ali Khan Jammon of Honnali, who was getting a political pension of Rupees 35 per month. He died on the 1st instant.

2. The memorialist's father has left no other heirs. He has passed a settlement deed - duly registered - in memorialist's favour, where in he has expressed his desire that the memorialist should get his share of pension together with all his properties. (moveable & immovable)

3. The memorialist is in possession of the said properties. The above mentioned settlement deed is herewith enclosed for your honour's kind perusal & return.

4. The humble memorialist has performed the funeral ceremony of the deceased Nawab Hasan Ali Khan.

5. It is always Customary in the Honnabli Nawab's Family that the female heirs of the deceased get the pension after the demise of the pensioners to keep up the family dignity and prestige.

The following are instances:—

1. Memorialist's father's mother Pacha Bibi was getting a separate pension after the death of her husband: Subhan Khan Nawab.
2. Memorialist's father's sister.
3. Fiqrbibi Begum—
4. Badibi Masahiba— etc.

6. According to the Custom and according to succession as well as under the settlement deed, the humble Memorialist is the sole heir to the deceased Nawab Hasan Ali Khan. The humble Memorialist therefore requests your honour to continue her father's pension of Rs 35 per month in her name to enable her to keep up the family dignity; and to kindly cause to issue a separate pensioner's half.

The humble Memorialist also requests your honour to issue orders to the Sahib Treasury Officer to make payment of the undistributed pension due to the late Nawab Hasan Ali Khan till the date of his death for this act of kindness the Memorialist ever prays.

The Memorialist begs to remain
